### ACADEMY CLASSES

#### SNOWPLOW SAM - DISCOVER, LEARN & PLAY

The Snowplow Sam levels are introductory classes divided into 4 progressive levels allowing children with no prior skating experience to build confidence while learning the basic skills of skating. These classes are designed to help children 6 and younger develop the ABC's of movement - Agility - Balance - Coordination and Speed. The ABCs are essential for developing fundamental movement skills and physical literacy. All classes will be taught in a safe and positive environment, incorporating fun and games making class time an enjoyable experience for all.

### Basic Skills - FUNdamentals

Basic Skills teaches the FUNdamentals of ice skating and provides the best foundation for figure skating, hockey and speedskating. Six progressive levels introduce forward and backward skating, stops, edges, crossovers and turns. Upon completion of the Basic Skills 1-6 levels, skaters will be able to confidently advance to more specialized areas of skating. All classes will be well-structured with the focus on proper skill development taught in a positive, FUN and social environment. Skaters will progress at their own rate and advance after skill mastery is demonstrated.

**Discover, Learn and Play - Basic 1 & 2:** These introductory levels allow new skaters with no prior skating experience to build confidence while learning to skate.

**FUNdamentals - Basic 3-6:** These levels develop all of the fundamental skating skills on the ice. Focus is on learning the ABCs of basic athleticism: Agility, Balance, Coordination and Speed. Upon completion of these levels, skaters will be able to confidently advance to more specialized areas of skating.

#### Off-ice orientation:

Equipment check: proper fit and lacing of skates, appropriate attire, safety helmets.

Practice falling and recovery, marching in place, dips and 1-foot balances in skates.

### Adult - Beginner to advanced

The Adult curriculum is designed for both beginning and experienced adult skaters who wish to improve their skating skills. Participation in the program will help promote physical fitness and improve balance and coordination while teaching proper skating techniques. This is an exciting program for people who look to skating as an enjoyable part of a fit and healthy lifestyle.

Divided into six levels from basic skating to more advanced skills, adult skaters will progress at an individual rate while being challenged and motivated. Bases on prior skating experience, adults may choose to begin at the level that best matches their skill base.

#### Off-ice orientation:

Equipment check: proper fit and lacing of skates, appropriate attire, safety concerns.
