**Basic Skills - FUNdamentals**

Basic Skills teaches the FUNdamentals of ice skating and provides the best foundation for figure skating, hockey and speedskating. Six progressive levels introduce forward and backward skating, stops, edges, crossovers and turns. Upon completion of the Basic Skills 1-6 levels, skaters will be able to confidently advance to more specialized areas of skating. All classes will be well-structured with the focus on proper skill development taught in a positive, FUN and social environment. Skaters will progress at their own rate and advance after skill mastery is demonstrated.

**Discover, Learn and Play - Basic 1 & 2:** These introductory levels allow new skaters with no prior skating experience to build confidence while learning to skate.

**FUNdamentals - Basic 3-6:** These levels develop all of the fundamental skating skills on the ice. Focus is on

learning the ABCs of basic athleticism: Agility, Balance, Coordination and Speed. Upon completion of these levels, skaters will be able to confidently advance to more specialized areas of skating.

**Off-ice orientation:**

Equipment check: proper fit and lacing of skates, appropriate attire, safety helmets.

Practice falling and recovery, marching in place, dips and 1-foot balances in skates.

**Adult - Beginner to advanced**

The Adult curriculum is designed for both beginning and experienced adult skaters who wish to improve their skating skills. Participation in the program will help promote physical fitness and improve balance and coordination while teaching proper skating techniques. This is an exciting program for people who look to skating as an enjoyable part of a fit and healthy lifestyle.

Divided into six levels from basic skating to more advanced skills, adult skaters will progress at an individual rate while being challenged and motivated. Bases on prior skating experience, adults may choose to begin at the level that best matches their skill base.

**Off-ice orientation:**

Equipment check: proper fit and lacing of skates, appropriate attire, safety concerns.

Practice falling and recovery, walking in place, knee bends and 1-foot balances in skates.

### HOCKEY

The Hockey curriculum is designed to teach the fundamentals of hockey skating. In four badge levels, skaters will learn how to be more proficient and agile on the ice. Proper skating techniques for the game of hockey are the primary focus of the levels. All elements will be taught without a puck. Skaters will learn the basic hockey stance, stride, knee bend, use of edges and other necessary fundamentals to be successful in hockey practices and game situations.

#### Necessary equipment:

**HECC approved hockey helmet - gloves - elbow pads  
hockey pants - knee pads - hockey stick**
