Basic Skills - FUNdamentals

Basic Skills teaches the FUNdamentals of ice skating and provides the best foundation for figure skating, crossovers and turns. Upon completion of the Basic Skills 1-6 levels, skaters will be able to confidently advance to more specialized areas of skating. All classes will be well-structured with the focus on proper skill development taught in a positive, FUN and social environment. Skaters will progress at their own rate and advance after skill mastery is demonstrated.

Discover, Learn and Play - Basic 1 & 2: These introductory levels allow new skaters with no prior skating experience to build confidence while learning to skate.

FUNDamentals - Basic 3-6: These levels develop all of the fundamental skating skills on the ice. Focus is on learning the ABCs of basic athleticism: Agility, Balance, Coordination and Speed. Upon completion of these levels, skaters will be able to confidently advance to more specialized areas of skating.

Off-ice orientation:

Equipment check: proper fit and lacing of skates, appropriate attire, safety helmets.
Practice falling and recovery, marching in place, dips and 1-foot balances in skates.
